## Tandus Centiva: People with Purpose

Dalton, GA (March 19, 2015) - Tandus Centiva provides the opportunity for its employees to demonstrate the company's commitment to supporting community organizations and causes. As part of their annual sales meeting, Tandus Centiva partnered with West Zephyrhills Elementary, Joshua House and Sunrise Domestic Violence Shelter to offer service hours. Employees performed facility improvement tasks such as painting, new floor covering installation, assembling of playground equipment and gardening.

"Tandus Centiva strives to be a positive force in our local communities," states Erin Istanbuluoglu, Director of Environmental & Social Stewardship for Tandus Centiva. "United in our team efforts, we were thankful and honored to have the opportunity to give back."

Tandus Centiva Community Service Day began in 2009 as part of their annual sales meeting. Rather than spend the day on traditional team building exercises, the company selected teams that work together to benefit the hosting community. Each year, projects are identified and organized through various partnerships. Tandus Centiva employees enjoy the opportunity to work together for a common cause and build lasting relationships through their team efforts.

Please visit the below link for before and after images of the facilities.
