Tandus Flooring Employees Rally for Relay for Life®

Company-wide efforts make a difference for a worthwhile cause

(Dalton, GA – June 8, 2010) Tandus Flooring workforce from the Dalton-based campuses came together as a team to raise money for the American Cancer Society's® Relay for Life in Whitfield County—a continuation of Tandus Flooring's "Starting With Me" campaign.

More than 150 employees participated in the company's campaign to raise money for the cause that touches the lives of so many. The Relay for Life campaign comes off the heels of the Tandus Flooring's community service day in March where more than 200 national sales executives from the U.S. and Canada volunteered at various locations in Dalton, kicking off "Starting With Me."

For Relay for Life, the company's efforts ranged from selling donuts, friendly competitions between colleagues to raise the most money, to creative endeavors such as donate your shoe size! The team hosted a tent at the Relay for Life event at the Whitfield County Fairground where fundraising efforts continued through the night putting the total amount of money raised by Team Tandus Flooring at \$17,000. Funds will be collected through August for this year's Relay for Life campaign.

"“The giving spirit that our employees have demonstrated is humbling and amazing", said Glen Hussmann, President and CEO of Tandus Flooring. "The amount of money raised would be impressive at any time, but during the current recession, it's truly heartwarming to see such effort for a great cause."

Team members from Tandus Flooring walked around the clock during the Relay for Life 12-hour event to honor and remember those who have fought the disease, and support the American Cancer Society's efforts.

"I'm thrilled that we have come together as a company for a cause that affects the lives of so many," said Wynette Hackney, cancer survivor and valued Tandus Flooring employee of 34 years. "This was a memorable event and one we will always embrace."

Tandus Flooring would like to send a special thanks to those organizations that donated materials and services to our Team: Adams Lithographing Company; Big John's Treat Shop; Bi-Lo®; Dalton Ice Company, Inc.; DSI (Distribution Services, Inc.); Food Lion, Varnell; Global Solutions; Green Spot Superette; RE Canteen; Niche; Sonic®; St. John's Restaurant; Reese Ralston; The Chattanooga; The Confectionary Shoppe; The Filling Station; Universal Fibers®; Dalton Elk's Lodge.
