Tandus Centiva, a Tarkett company, creates innovative flooring solutions through our unique line of Powerbond®, Modular, Broadloom, Woven, LVT and MetalEdge transition products. Each of our product platforms offer coordinated styles, extensive color ranges and a variety of patterns and textures that enhance the appearance of any commercial environment. Tandus Centiva products are also designed to coordinate with a variety of Johnsonite wall base and finishing accessories, providing the Ultimate Flooring Experience across the Tarkett family of brands.
PRODUCT COORDINATES – TRANSITION: METALEDGE COLLECTION

MetalEdge provides a transition solution and finish detail for any commercial space. It is offered in three aesthetically pleasing and tastefully refined systems, each engineered and colored to work with a vast array of Tandus Centiva soft and hard surface product platforms. Please contact your Tandus Centiva account executive for details.

*These colors are metallic and may not be accurately represented. Please contact your Tandus Centiva account executive to order samples, 800.248.2878.
## CONSTRUCTION OPTIONS

All Tandus Centiva Powerbond® and Modular options are 100% closed-loop recyclable through our ReStart® program and do not contain pesticides (antimicrobials) as part of our reduce chemical initiatives. We ensure 100% of the flooring samples returned are recycled or reused, guaranteed.
